5. Tables

The tables are approximately the size of a bedroom door ($\pm 180\text{cm} \times 90\text{cm}$), but sizes may vary. We will try to meet your requirements as far as possible. We will provide hessian to cover the tables, but you are welcome to use your own tablecloth.

6. Set-up and Clear

The hall will be open on **Thursday 24 October 2019 from 13:00 – 19:00**. You are responsible for your own table and should unpack and display your products. Should you not be available to unpack your products, alternative arrangements must be made. **Additional stock must be kept under the tables**. Our responsibility in terms of security starts at 19:00.

The Feesmark / Craft market's doors only close at 17:00 and we need to give the customers time to finish their shopping. Under no circumstances are you allowed to start clearing your tables before the official closure. The hall must be vacated that same afternoon, you have till 19:00 to clear your goods.** Past incidents have forced us to deduct a 30% fine of the exhibitor's turnover, for early clearing. The same rule applies should you run out of stock and/or not have sufficient stock for the whole event.

We thank you in advance for your co-operation in this regard. The safety and security of the exhibitors and their products are from the utmost importance to us and therefore we cannot make any exceptions. The organising committee will do their utmost to take preventative measure for damages or loss of goods. **Lourensrivier Church and the organising committee take no responsibility for any loss or damages to goods.**

7. Tasters on tables

All tasters (sauces) must be in a squeeze bottle with spout and clearly labeled. If it is a type of jam or thick sauce, simply enlarge the spout by cutting a piece off. If you have a product that contains chunks, you may use a bowl. This is to prevent the sauces from drying out while on the table, it will be more hygienic than an open bowl and there will be less waste at the end of the day.

8. Supervision / Security

There is no need for you to be at the Feesmark / Craft market for the whole duration of the event. All we require is for you to do **2 shifts of 2 hours each**. (Should you not be able to be there yourself, please appoint someone in your stead.) Exhibitors with expensive jewellery are responsible for their own supervision at their stall. Please call Lizette on 083 500 5400 to let her know which shift you will be able to work. Although most of our supervision is voluntarily, we use responsible people that will take good care of your exhibition. Exhibitors that will not be able to work a shift can pay an additional fee of **R100 / shift** (with registration) in order for us to arrange for someone in your place. Should you not pitch for your shift we will be forced to deduct **R150 / shift** from your turnover at the end of the market.

9. Central Pay point

We have a central pay point with credit card facilities.

10. Payment

Your payment will be made by no later than **30 November 2019** directly into your bank account. PLEASE make sure that we have your correct details! No cash pay-outs will be made.

11. Price stickers

We will print price stickers for you. It is very important that the description (**no more than 23 characters**) and price of your goods are marked clearly on your form. We will use this form to print your stickers. Every item should be clearly marked on a level surface for the scanners to work properly. Should the item be too small, please attach a piece of carton with string or put it in a small plastic bag to put the sticker on. **Items without price stickers will not be accepted.**

12. Marketing

Before and during the event we do a wide range of advertising and marketing. We use posters, banners, pamphlets and the local radio stations and newspapers. Please keep this in mind when you do your stock planning for the market!

Should you have any questions or ideas please do not hesitate to give us a call.

Our Feesmark / craft market can only be a success with your support. We look forward to meet you for the first time or to seeing you again. We ask for your prayers that we will have a safe and successful event.

Warm "Feesmark" regards

Lizette Pieters
